THE Y-12 PLANT RED CROSS COMMITTEE IS SHOWN ABOVE receiving reports that showed the 1948 campaign had gone "over the top." Seated, left to right, are Helen Matthews and Kay Orton; standing are Nelson Tibbatts, Pat Ridge, Larry Parsons, Howard Harmon, W. S. Herron and Chairman Howard P. Doyle.

Low Plant Absentee Mark Of 2.1 Is Tied: Five Departments Report Perfect Records

Despite the fact that the number of departments in Y-12 with perfect attendance records fell from seven for the week ending February 29 to five for the week ending March 7, the absentee mark for the entire plant dropped .3 per cent during the latter period to tie the record low absentee mark of 2.1 per cent set for the week ending July 5, 1947.

Y-12 Will Observe

The 2.1 per cent marked the lowest record established since the present two department system of attendance scoring was adopted

which

Clean-Up Program

Y-12 employees will make with the brooms, mops, soap and water during the two-week period beginning April 4 when the plant will join with the city of Oak Ridge in observance of a concen-trated clean-up and beautification

Firemen To Coordinate Drive

The clean-up campaign in Y-12 will be directed principally against existing and potential fire hazards, unsightly conditions as well as those that might become a health hazard, according to Fire Dept. Chief J. W. Hughey. Chief Hughey and the Fire Department will coordinate the clean-up drive in the plant area.

All employees are urged to co-operate in making the clean-up drive a success. To do so they drive a success. should:

 Clean out all lockers.
 Clean up all work benches and shops.
3. Clean out all closets, store

rooms and stock rooms.
4. Clean out all basements and

attics.
5. Clean up premises around Cleabuildings.

Remove all waste, rubbish

and scrap. Put Trash In Containers Trash and rubbish collected dur-

ing the drive should be placed in containers and placed at desig-nated trash pickup locations for

more details on Y-12 participation in the clean-up campaign will be announced in The Y-12 Bulletin next week.

Our Plant First Oak Ridge Group 'Over The Top' In '48 Campaign; Dr. Larson Praises Employees For Generosity; Company Gives Another \$1,000

Generous and prompt response by Y-12 employees to the 1948 appeal of the Oak Ridge Chapter of the American Red Cross resulted

in this plant of Carbide and Carbon Chemicals Corp. being the first group in its classification to go "over the top" in the campaign.

It was announced last Wednesday, just eight working days after the drive was launched, that contributions by Y-12 employees had exceeded the \$2,000 quota assigned to the plant. At noon last Friday the Y-12 donations had reached \$2,300 and were still growing.

By tonning the assigned quota in this Red Cross campaign on

By topping the assigned quota in this Red Cross campaign, employees of Y-12 upheld the plant reputation of never having failed to freely contribute to any worthy

Oak Ridge Appeal.

Dr. Larson is Gratified

Dr. C. E. Larson, Y-12 Superintendent, highly praised the speedy action of Y-12 employees in meeting the challenge of the Red Cross

drive.

"It is most gratifying to myself and the Company that our Y-12 employees so quickly and generously answered the appeal of the Oak Ridge Chapter of the American Red Cross. It shows that our people are interested in all of the problems of Oak Ridge and are ready to help whenever called on to do so," Dr. Larson said.

Dr. Larson also announced that the Carbide and Carbon Chemicals Corp. had contributed \$1,000 to the Red Cross fund campaign as a

Red Cross fund campaign as a Company gift.

Cooperation Brings Success

present two department system of attendance scoring was adopted.

Of the departments with perfect records for the week ending March 7, one was in the major league, composed of departments with more than 50 employees; and the other four were in the minor league, with departments of from 15 to 49 employees.

Firemen Have Perfect Mark Close cooperation between su-Close cooperation between supervision and employees throughout the plant sent Y-12 "over the top" in the Red Cross drive, members of a plant committee directing the campaign declared. Distribution of pledge cards started March 1, when the campaign officially opened and within just a few days several smaller departments reportel 100 percent participation.

Then during the first part of last week the contributions came rolling in. Department after department reported 100 per cent of its employees contributing to the Red Cross. Plant committee members were kept busy tabulating the reports and adding machines clicked merrily as the donations steadily mounted.

ily mounted.

The plant committee conducting the campaign included Pat Ridge, (Continued on Page 3)

1947 Fire Prevention Award Presented Y-12

An award proclaiming the 1947 fire prevention program in Y-12 to be the second best among industrial plants in the nation, was presented to Dr. C. E. Larson, Y-12 Superintendent, by T. Alfred Eleming, chairman of the National Y-12 Superintendent, by 1. Allieu Fleming, chairman of the National Fire Prevention Week Contest, at a banquet last Monday night at the Grove Recreation Hall. The city of Oak Ridge received an award for placing first among the municipalities of the country in fire prevention work, while in fire prevention work, while K-25 received a plaque for fin-ishing first among the industrial plants.

The fire prevention programs were judged on ratings by the National Board of Fire Underwriters and the National Fire Protection Association. In 1946 Y-12 finished

Dr. C. P. Keim

First Place Race Close

In making the presentations to Y-12 and K-25, Fleming pointed out that the race between these two Carbide plants was so close that only one point separated the two plants in the final scoring.

Dr. Larson, in accepting the award, praised the work of Y-12 Fire Chief J. W. Hughey and all members of the Fire Department and employees whose teamwork during the observance of Fire Prevention Week last October brought national recognition. Dr. Larson also praised the leadership of C. N. Rucker, former Y-12 Superintendent of the Isotope Development Department of Y-12, a biography of Dr. C. P. Keim will be published in the 1948 biennial volume of "Who's Who In America," published by the A. N. Marquis Co., of Chicago. The sketch also will appear in "The Book of Authorities," another Marquis has been cited in the 1944 edition of "American Men of Science."

Dr. Keim made it clear that although he naturally is pleased with the honor bestowed on him, the recognition should be considered as a tribute to the entire Isotope Development Department of Y-12, a biography of Dr. C. P. Keim will be published in the 1948 biennial volume of "Who's Who In America," published by the A. N. Marquis Co., of Chicago. The sketch also will appear in "The Book of Authorities," another Marquis has been cited in the 1944 edition of "American Men of Science."

Lions Club Again Will Hold Lawn Improvement Contest

A lawns improvement contest again will be conducted by the Oak Ridge Lions Club this year and the deadline for entries which and the deadline for entries which are now being received, has been set for July 15. First prizes of \$50 and second prizes of \$25 will be awarded in each of three groups of housing lawns to be considered.

The contest rules specify that a picture should be made of a lawn before the improvement work is started and these pictures should be dated on the back, carry the sender's name, and be mailed to the Oak Ridge Lions Club, Box 337, attention Lawn Contest. Judging will take place on Saturday, August 14 and will be by a committee other than members of the Lions Club.

BUTLER-LOWE

Miss Julia Lowe, Dept. B13L as married on February 28 to was married on February 28 to Herman Reed Butler, Jr., in a ceremony at 2 p. m. in the Mc-Farlend Memorial Methodist Church, Rossville, Ga. The doublering, candlelight service was performed by the Rev. G. T. Chaney, paster of the church. pastor of the church.

The bride is the daughter of Mr. and Mrs. G. R. Lowe and the niece of Mr. and Mrs. R. H. Lowe, Rutledge, Tenn. Butler is the son of H. R. Butler, Sr., 192 Latimer Road, Oak Ridge.

For her marriage the bride wore a white wool crepe suit with brown accessories and a white orchid corsage.

Miss Alta Lowe, twin sister of the bride, was maid of honor. She wore an aqua wool crepe suit with brown accessories and a corsage of deep lavender orchids. R. D. Williams, Bainbridge Hall, Oak Ridge, was best man and other attendants at the wedding included Miss Frantie Rich and L. G. Bry-

About 20 guests attended a reception at the Edgewood Restaurant following the return of the wedding party from Rossville.

Six births were reported to Y-12 families at the Oak Ridge Hospital last week. Parents were Mr. and Mrs. John L. Young, Jr., twin sons, March 4; Mr. and Mrs. Nelson H. Bethea, a daughter and Mr. son H. Bethea, a daughter and Mr. and Mrs. Arnold K. Self, a son, March 7; Mr. and Mrs. John L. Wynn, Sr., a son, March 9; Mr. and Mrs. Clifford L. Steppe, a son and Mr. and Mrs. Keith B. Brown, a daughter, March 10. son H. Bethea, a daughter and Mr.

Cast Contains Folks Of Y-12

The operetta "Merry Widow," which will be presented by the Oak Ridge Civic Music Association at the high school auditorium Friday and Saturday, at 8:15 p. m., was written by Franz Lehar about the mixed affairs of state and love of Prince Danilo in the fictitious kingdom of Marsovia. The Community Chorus is staging the production, members of the Oak Ridge Symphony will compose the orchestra, and members of the Oak Ridge Folk Dancers will take dancing parts.
"Sonia," leading feminine part

by Mrs. Vashti Lavers, wife of W. D. Lavers of Y-12, who as the merry widow marries Prince Danilo and saves the country finan-cially. Other Y-12 folks taking parts as members of the chorus parts as members of the chorus include Helen Hicks, Dept. B12L; John Redmond, Dept. B12L; B. Cameron, Dept. M13C, and Joyce Merry and Judy Ward, both of Dept. A12P.

Story of the play begins with Prince Danilo hesitating to aid his country in its financial distress by marrying the widow, who pos-sesses a huge fortune. The prince seems to prefer the freedom of marrying Maxim's cafe where he finds a great variety of wine and women. But he finally bows to the charms of the merry widow. Music of the operetta is lovely and familiar, including "The Merry Widow Waltz," "Vilia" and "Women, Women, Women." Tickets are on sale daily at the Music Box from 4 p. m. to 6 p. m., and the admission price

Enrollment In Adult Education Program Classes Scheduled

Registration for the Oak Ridge Adult Education Program classes will be held Thursday, Friday and Saturday of this week at the Oak Ridge High School for students wishing to enroll in the spring

All University of Tennessee extension classes will continue into the third quarter and three new classes are being offered, Labor Relations 471, Mathematics 471, and Accounting 323. New courses offered for the spring term by the Adult Education Program include classes in millinery, leather craft, and upholstery.

Haynes Wins Color **Slide Competition**

B. O. Haynes, of Y-12, won the color slide competition held by the Carbide Camera Club last week at club headquarters in the East Portal building. Paul Vanstrum, of K-25, was second and N. K. Bernander, of Y-12, took third

F. F. Calloway, of Y-12, president of the club, has announced that the next sesion of the club will be held at 7:30 p.m. Tuesday, April 13. A lecture on filters will be read by a club member and a black and white print competition on the subject of animals will be held.

Active In Civic Affairs

Since coming to Oak Ridge February 4, 1944, Dr. Keim has taken an active part in community affairs in time spared from his official duties. He now is third vice-president of the Oak Ridge Lions Club. He is a member of the official board of the First Methodist Church of Oak Ridge and a former chairman of the Shrine advisory committee for the Ernie Pyle Chapter, Order of De-Ernie Pyle Chapter, Order of De-Molay. He also was elected first president of the Nebraska Club

when that group was organized. One of his hobbies is seismology, the study and recording of earthquakes, while another is photog-

Rice Commended As Legion Membership Passes 800 Mark

Hugh Rice, assistant chief time-keeper at Y-12, received a letter of commendation from Miller B. Mc-Donald, first vice commander of Atomic City Post No. 199, Amer-ican Legion, in praise for outstand-ing work accomplished in the recent Legion membership drive at the plant. The membership cam-paign at Y-12 under the chairmanship of Rice and aided by assistants Woody Palmer, Charles Gillihan, Ira Shotts and Arthur Rogers, went over the top in expense of the control of the contro

ceeding its quota by 20 per cent. Membership of Atomic City Post has passed the 800 mark and is expected to reach the new goal of 1,000 members. The post plans a masquerade dance at Grove Hall on March 25.

Postoffice Needs Will Be Viewed

According to information received by Oak Ridge Postmaster George Bowling, investigation into the possibilities of a permanent ment postoffice building for Oak Ridge will be made this week by W. B. Wooten, chief building in-spector for the Post Office Department. The request for the investigation was instigated by the Atomic City Post, No. 199, American Legion.

VETERANS ARE WARNED

Veterans are warned by the Nashville regional office of the t. A16J, with her C. Veterans Administration that it is unlawful for agents or attorneys to extract fees from veterans for presenting monetary claims for benefits. Fees for such services are payable only by the Veterans Administration itself and are de-ducted from the monetary bene-fits due the veteran; and then the

1947 Fire Prevention Award Presented Y-12

(Continued from Page 1) fourth, K-25 third and the city of Oak Ridge tenth in national competition.

Cooperation Brought Results
Fire Chief Hughey has declared that the honors won by Y-12 "are not the work of any one person or group in Y-12, but is the result of cooperation by every employee in the plant who held the ployee in the plant who helped the Fire Department in carrying out its recommendations for elimination of fire hazards and carrying out other provisions of the gen-eral program."

The Y-12 fire prevention program details were worked out by Chief Hughey and Assistant Chief J. E. Lain with full support of Management leaders forming the V 12 Fire Proportion Communication of the Y-12 Fire Prevention Committee and fire, safety and security coordinators throughout the plant. Plant Protection Supt. T. A. Mc-Kenzie is a member of the Y-12 Fire Prevention Committee.

The standing achieved by Y-12 is considered doubly impressive in view of the fact that the Y-12 Fire Department operates with a mini-mum number of fire fighters and covers a large area incorporating many unoccupied buildings.

Eligible Employees May Increase Savings

Employees in Y-12, who, because of increased earnings or otherwise, are eligible and desire to increase their deposits in the Carbide Savings Plan up to the maximum amount allowable may do so by filing Form SP3, "Increase In Deductions," through the Timekeeping Deposition ing Department.

Eligible employees may participate in the Carbide Savings Plan up to a maximum of seven and one-half per cent of their rate of pay calculated at straight time for their normal or standard working hous plus shift differential, but in no case may participation amount to less than 50c per week

or \$2 per month, nor exceed \$7 per week or \$30 per month.

Shift Premiums Are Considered
Shift premiums may be considered in determining the maximum amount that employees may deamount that employees may deposit in the Carbide Savings Plan and the Form SP3 must clearly indicate that fact if the employee is a shift worker. When filling out Form SP3, shift workers must mark the words "Shift Worker" in the upper right-hand corner of the form, complete the form in dethe form, complete the form in de-tail and file it with the Timekeeping Department.

Any employee in doubt as to his status in connection with the Car-bide Savings Plan may obtain the desired information from his

April 2 Is Deadline
Hourly employees may increase their deductions effective with the

or thereafter on or before April 1, 1949, will have completed at least one year of employment, is eligible to participate in the Carbide Savings Plan. Participation is entirely voluntary and applica-tion may be made at any time after minimum eligibility has been attained. To the amount deposited, through payroll deductions in the Savings Plan the Company adds from 10 per cent to 30 per cent, depending on length of Company service. Interest of two per cent is added to the Company deposits and the amount deposited by the Company. The present Savings Plan was started July 1, 1947, and continues for two years.

Y-12 Photos By Vince Moore FIRE CHIEF J. W. HUGHEY poses in the top picture in front of a firemen's life net at Grove Recreation Hall last week as Y-12 was awarded a plaque for having the second best fire prevention program in the country. The message he is delivering is obvious. The bottom picture shows Y-12 Superintendent Dr. C. E. Larson inspecting the plaque as T. Alfred Fleming, chairman of the National Fire Prevention Contest Committee looks on before a group of Y-12 firemen. From left are Assistant Chief J. E. Lain, Capt. C. S. Huffman, Capt. F. L. Remine, Capt. Dave Turner, Capt. W. O. Elam and Chief Hughey.

GILLIHAN BELIEVES IN ORDERLY PROGRESS

Regimented scoring progress in its neatest and most precise form was exhibited by Charlie Gillihan, of Dept. A12M, at the Grove Alleys Thursday before last when he was rolling as a member of the Knot Holers in the Plant League. Gillihan, a newcomer at bowling, started off with a first game of 131, and evidently a believer in orderly pregress, made his next one a 132. Then, just to show everyone he was serious about certain ideas of progression, Gillihan probably set an all time precedent when he just added another point to his third game score which gave him a 133. Regimented scoring progress their deductions effective with the first pay period of each calendar quarter year. In order for changes to become effective for the second calendar quarter of this year, hourly employees must file Form SP3 with the Timekeeping Department not later than Friday, April 2, 1948.

Changes in the rate of deduction for salary employees becomes effective with the first pay period following receipt of the Form SP3 by the Payroll Department.

Eligibility Is Described

Varsity Cagers Take Trimmings In Tournaments

The Tiller Toilers suffered twin tournament defeats last week and now are on the sidelines and will not see action until a winner is determined in the single elimination basketball tournament now being staged by the Oak Ridge City Recreation Department. Y-12 will meet the tourney titlists in a three-game playoff for the sea-son's championship in the "B" loop as Tiller's cagers won the first half of the season and the present tournament constitutes the second

Sharpshooters In Eclipse

On Monday, March 8, the redshirted cagers dropped out of the city tourney when they bowed peacefully to the Oak Ridge Lab outfit by the score of 28 to 24. outfit by the score of 28 to 24. A total eclipse on the part of several Y-12 sharpshooters accounted for the defeat along with the absence of the ace forward, Rick Sparks.

Current history repeated itself the next night, when Y-12 journeyed over to Knoxville and took one short shot at the Tri-State "B" Division basketball tournament title. Our boys lost their initial game to the Tazewell W.O.W. aggregation by the score of 39 to 30. If Ramsey and Green had 30. If Ramsey and Green had been able to have made the trip the story might have been different at Knoxville.

Sewell Is Standout

However, John Sewell, the Y-12 speedster, was a stand-out in both games, getting five field goals against the Oak Ridge Lab boys and six in the Tazewell game. Date for the three-game title playoff match for the "B" League championship in Oak Ridge will be set early this week.

Construction work began early last week on the new Oak Ridge municipal baseball park, located south of the Gamble Valley Road and in back of the first Roane-Anderson Co. warehouses, approximately 500 yards west of the open air theater. The site will be the permanent location of the new baseball park in accordance with long range planning for Oak Ridge by the Atomic Energy Com-

Work Is Being Rushed

The present construction work is being carried on by the Roane-Anderson Co., and although weather conditions have permitted heavy grading equipment only a few days of operations so far, the playing field already has begun to take definite shape. Work on the take definite shape. Work on the project will be pushed in order to provide adequate playing and spectator facilities as soon as pos-

The field will be lighted for night games and a grandstand will be erected. New roads will be constructed to provide access to and from the park.

Recreation supervisors for the operating companies and managers of prospective teams in the Oak Ridge City Baseball League will hold another meeting his week to discuss formal organization. However, this date had not been definitely set before The Y-12 Bulletin press time Y-12 Bulletin press time.

Call For Y-12 Players Made

Arnold Tiller, Y-12 Recreation Supervisor, said that the first practice session for the Y-12 team candidates would take place at Oakwood Park at 5:30 p.m., March 22. In order to field a good team, Tiller requests that all employees who have either played baseball or who know of players who might be available to communicate with him at the Recreation Office, North Portal, telephone 7-8252.

Strikers Wallop Termites In D Area Bowling Loop

The Strikers struck hard and fast last Tuesday night at the Jef-ferson Alleys and took all four points from the Termites in three points from the Termites in three games which were all closely contested as far as scratch scores were concerned. The "D" Area Bowling League leading Strikers put together games of 828, 783 and 837 for a scratch aggregate of 2,448 and a handicap of 2,974, while the Termites rolled 830, 765 and 810 for a scratch total of 2,405 and handicap of 2,852.

A clean-sweep over the Morats last Thursday night at the Grove lleys placed the Y-12 varsity keglerettes within one game of the top riding Oak Ridge Lab gals. Y-12's latest triumph in the Women's City Bowling League came as a result of taking the first game 770 to 730, the second 704 to 701, and the third by a score of 715 to 629.

Lora Tucker, who set a season's record week before last with a three-game scratch score of 551, came back with another brilliant performance in rolling games of 180, 186 and 156. Scoring by her teammates were Dot Roberts 177,

Guards Smooth Edges Off Rough House Five To Capture Plant Cage Loop Tourney Title

Capt. Ray Ledford's alerted Guards neatly and decisively clinched the tourney championship of the Plant Basketball League Friday night, March 5, at the high school gymnasium by taking the Rough House Five to the tune of 33 to 24 behind the brilliant second-half shooting

of Rick Sparks.

Going into the second half on the short end of a 15 to 12 score, the Guardsmen quickly forged into the lead as Sparks started his net-hitting rampage and singlehandedly accounted for 12 points from the field. The six field goals dur-ing the second half rally gave Sparks 16 points for the game.

Sparks 16 points for the game.

Rambling John Ramsey played his usual steady game and led his Rough House Five teammates in the scoring department with four field goals and one point from the foul line. Aggressive defensive play by the Guardsmen held the rest of Capt. Jack Thomson's Rough House Five boys to meager scoring as only Lee got more than one field goal with his four points. Rackley rocked in three from the field to place second in scoring field to place second in scoring honors for the Guards.

Darby Does "Paul Revere"

A last-second change on the part of the City Recreation Department in switching the scene of hostil-ities from Scarboro gymnasium to the high school court placed a burden on Referee Frank "Red" Darby who made about 50 telephone calls to notify players of the new battle location. Despite the short notice, a pretty fair crowd of Y-12 force turned out to see the Guards fans turned out to see the Guards beat the Rough House Five, which quintet had walked away with twin honors in regular league play in both the first and second halves of the regular season.

VET VALEDICTORIAN LATE

August Alexander, a former service man and valedictorian for his elementary school class in Chi-cago, was late for graduation exercises, news dispatches from there recently reported. His wife had just given birth to a baby girl before the exercises.

CHEWS WAY OUT

A starving cocker spaniel puppy, trapped in a deserted house in Mason, Mich., was saved after he chewed a hole in the side of the building large enough to stick his head out and whine for help.

The solution is solution in the side of the time in September, it has been announced by Frank R. Ahlgreen, editor of The Commercial Appeal. Call letters will be WMC-TV.

Bowlers Of Y-12 Sweep Three Tilts From K-25

The Y-12 varsity keglers put on an outstanding team exhibition of pin toppling at the Midtown Alleys last Tuesday night and captured all three games in the City Industrial Bowling League match with their K-25 cousins by scores of 826 to 722, 812 to 784, and 958 to 841.

As the match was played out of the regular and re-arranged Friday schedule, Y-12 will not see action until this Friday. The rest of the six-team league bowled last Friday at the Midtown Alleys, and regardless of the outcome, Y-12 maintained its loop leadership. A clean-sweep by the second-place Atomic Energy Commission boys last Friday. sion boys last Friday would leave them one game in the arrears of

Y-12's triumph over K-25 was accounted for by the following individual rolling: Cobble, 174, 165 and 242; ZaBenco, 185, 181 and 202; B. Whitaker 154, 148 and 186; erts 144, 168 and 184.
